

ANNUAL

Bill Arksey Memorial Golf Tournament

Members of Unifor Local 975's EnerCare/EHS Unit and Enbridge/EGD Unit are invited to attend this annual event being held in the Niagara/Western Region. Participants will enjoy 18 holes of golf w/cart, followed by your choice of a Steak or Chicken dinner.

Whisky Run Golf Club is a picturesque 27 hole golf course located near the shores of Lake Erie just east of Port Colborne. Each of the three nines is unique in its design, length and challenge. Small but well guarded greens characterize all three nines at Whisky Run Golf Club and place a premium on shot making, a solid short game, and good putting.
