Dear Mr. Carter,

Thank you, UNIFOR Local 975, for your kind and generous donation. We are humbled that you partnered with Enbridge Gas Inc. and Top Shelf Distillers which resulted in a donation of 200 sanitizers for CHEO.

Your decision to make a gift during this difficult time demonstrates the community spirit that built CHEO and continues to sustain those on the front lines of healthcare. Because the healthcare needs of patients cannot wait while we tackle the COVID-19 pandemic, CHEO is turning to donors like you to help us deliver the best care possible for the children, youth and families who rely on us. Your donation is so very important and so deeply appreciated.

You are as much a part of the CHEO team as the people within the walls of the hospital so please be proud of your role in helping every child in our care to live their best life. We hope that you and your loved ones remain safe and healthy in the days, weeks and months ahead. We will get through this together.

With sincere thanks,
